

Dear Eastern Regions, Areas and Group Members,

The Nar-Anon Seventh East Coast Convention is less than 100 days away and we are requesting baskets (or monetary donations) from the regions areas or groups on the east coast. As frequent convention attendees know, it is a great fund raiser for the conventions. The 7th East Coast Committee is hoping to raise enough funds to donate to WSO as well as provide seed money to the next region that will host the 8th East Coast Convention and with your basket donations it will be possible. The committee will be asking on Saturday night at the banquet if any region or area is willing to host the 8th East Coast Convention. Please consider hosting and keep the ECC going.

The planning committee is asking you to keep in mind that the majority of the members attending will be traveling by air and consider this when planning your baskets.

If you want to send monetary donations for a basket to be made in your groups name mail to:

Maryanne B.
19204 Delaire landing Road
Philadelphia, PA 19114

Please let us know if your region, areas, or groups will be participating by sending a basket (or monetary donation for a basket). If you need further information, please contact saturdayschild16@aol.com

If you are making a basket we recommend that you....

- Cover your basket with transparent wrap
- Include a description of what is included in your basket and your home group name
- Include receipts for any gift cards donated.

Sincerely,
Maryanne B.
ECC7 Hospitality Chair
